MEMORANDUM FOR THE CHAIRMAN, DCI SECURITY COMMITTEE

SUBJECT: Unofficial Travel to Yugoslavia

1. I request that the Security Committee review the status of Yugoslavia as a country to which visits, travel and assignment are considered a hazardous activity under the SECOM policy issued 8 April 1983 (Security Policy Concerning Travel and Assignment of Personnel with Access to SCI). I believe the review is needed for two reasons:

a. Yugoslavia will be the site of the 1984 Winter Olympics. A DCI policy on visits to Yugoslavia for the Olympics should be developed early on.

b. Yugoslavia has apparently entered into new agreements with U.S. forces in Europe offering economically attractive tour packages for U.S. military personnel.

however, there is always case-by-case review and determination.

3. I believe the SECOM review should include conducting a CI/security assessment of the Yugoslavian threat to U.S. personnel visiting that country and obtaining a broader assessment of current U.S. - Yugoslavian relations (perhaps State and OSD could provide this).
